July 2014 Newsletter **Editor: Becca Mosley**

Coordinator's Message

So much to do, so little time……this place is hopping!

First things first though, a reminder: YOUR ANNUAL MEMBERSHIP FEE IS DUE NOW, JULY 1st.

This affordable sum of **$20 per year**, opens up a world of entertainment, resources and support. It allows you to enjoy discounted classes and activities and a monthly newsletter full of interesting "stuff" to keep you up to date on everything at the center and greater community.

July means that two of our favorite chefs will be cooking one of our favorite chicken dish; their Italian family recipe, and they are **Harvey and Irene Bustichi**. Marlene and her crew will be taking on the rest of it. Don't forget to sign up early by July 15th.

We give a BIG thank you to Maria Masila from Kenya. She was our guest speaker for Armchair Topics in May where she talked about her beloved homeland, its beauty and challenges, taught us about her culture and regaled us with humorous anecdotes from family and community life experiences. A "Thank You" also goes to Marlene for experimenting with Kenyan cuisine thus providing the group with some tempting morsels.

Please join me for **Armchair Topics this month for "Every Life Tells A Story"**. I want you to come and share your personal story, highs, lows, experiences, goals, regrets, bucket list items, lessons learned and much more. It will be a great conversation!

An enormous **THANK YOU** goes out to members Evelyn Anderson, Charlie Behrans, Rosanna Wright and Bellermine Prep School student, Oli Hoyt for all their HARD work and team spirit in helping me put on the **2014 Annual Volunteer Appreciation Luncheon**. I could not ask my regular volunteers for help and these four folks stepped up to the plate to help! I would also like to thank and acknowledge Sally Williams who provided the lovely favors for the event in honor of her mother, Marjorie Williams, one of our "snow bird" members. We were honored to have Council Member, Donna Lind and Chief John Weiss attend.

The **August Flea Market** is almost here. Board member Terri Ritche is chairing this event. It is time to prepare to de-clutter your homes. Our center's flea market is on Sunday, **August 3rd**! We are taking signups if you would like a booth and we are also looking for volunteers to help with the event. Don't forget to stop by and have a delicious polish dog and other goodies with us!

My final reminder is for all of our members to PLEASE, PLEASE, PLEASE do your bit to keep our center tidy and clean. Please put furniture and items back in their places. This continues to be one of my biggest challenges and your cooperation is really needed and much appreciated.

Until Next time ~ *Darshana Croskrey*

Is it Identity Theft or Credit Card Fraud?.....

We are hearing talk about Identity Theft, but is it truly that or simply Credit Card Fraud? I will talk about the easy one first, Credit Card Fraud.

Credit Card Fraud occurs when someone gets your credit card number and uses it to make charges to your existing credit card. This is the thing that happens most often. Your card information is stolen and false charges start to show up on your statement. These charges can be forgiven by your Credit Card Company as long as you report them in a timely fashion, usually within 30 to 90 days. State law stops the credit card companies from making you responsible for any more than $50 if you report the problem right away. The truth is that Most credit card companies want your business and will credit you with 100% of the false charges. Be sure to use the Phone Number on the back of your card or log into the website for your card to report these problems. In many cases the issuer of your card will insist on sending you a new card and number to stop future false charges. This is a Very Good thing and they normally will get your new card to you within a couple of days.

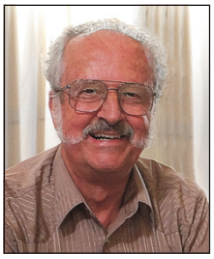
Identity Theft is a completely different problem. You may Not even know about an identity theft until you try to get a New loan or credit card and are refused. In identity theft, the thief will apply for a New credit card or loan using your credit information. You may find out many months later when some company tries to get you to pay a bill you have never heard of. This problem can be Very Serious and can cause you a lot of work to clear up the problem.

You can check your report very quickly by going to my web page www.fbergholz.com and selecting “Free Credit Report Check! You Should Do This” . It will take you to a website that allows you to check your credit information once a year for Free. There are 3 companies listed, TransUnion, Equifax, and Experian. You are allowed one Free credit report from each company every year. That means you can gat a credit report every 4 months by selecting a different company each time. You will be asked a number of questions to prove who you are. They will always include your full name, address, social security number, and some test question about your credit history.

Typically they will ask about your home loan, present or past, and maybe if you lived on a certain street in some town. Some questions will have nothing to do with you and there will always be an answer selection that says None of the Above. These reports are one of the few places that I will tell you to type in your Social Security Number without a problem. You Should do this check as soon as possible.

Why should I do this credit check? I am having no problems! Let me tell you about a credit check that was run by my 23 year old Granddaughter this month. She has one bank account and one credit card. We tried 2 of the Credit Companies listed above and were unable to get a report because they kept asking her about an address in Kansas. She has never even been to Kansas. The 3rd company, TransUnion, finally asked her questions like What State was your Social Security number issued in and do you live in the San Diego Area. It then produced her report with 2 names listed. The first one was her name and the second one had the same first and middle name with a different last name. It also listed her address and an address in Kansas. She was devastated and very nervous that her ID had been compromised. We were Very lucky to get a wonderful representative from TransUnion when she called. After a number of questions to confirm her information, she was told that she would get a letter in the next 30 days with the information about their investigation. She is currently awaiting this letter.

What was learned from this incident? We learned that every member of your household that has a SS# should run a credit check at least once a year. Read your report over and you will be surprised the information they have gathered. A quick note: In this process you will be asked if you would like to pay a small fee for your Actual Credit Score. You may want to see it but it is Not necessary. I have Never paid for my credit score.



Please protect yourself and run this report ASAP.
