SCOTTS VALLEY UNIFIED SCHOOL DISTRICT

Board Meeting: August 25, 2015

IT IS RECOMMENDED THAT THE BOARD OF TRUSTEES APPROVE PROGRAMMING, THE SITE PLAN, AND CONSTRUCTION METHODOLOGIES FOR REBUILDING SCOTTS VALLEY MIDDLE SCHOOL PER THE DISTRICT'S FACILITY BOND PROGRAM.

BACKGROUND: Five all-day workshops have been held to date with the SVMS Design Committee led by Architects Brent McClure and Monique Wood of Cody, Anderson, Wasney Architects. The 14-members, composed of parents, staff, community and agency members along with two Board Members and district staff, have collaborated on the programming of spaces and site plan concepts. The District Core Team has continued to meet throughout the summer with Consultants to continue progress specified in the proposed project schedule.

DESCRIPTION DETAILS: The consulting team members from Cody, Anderson, Wasney and Blach Construction will present the programming of spaces, the site plan, construction methodologies, and a phasing plan. Some visual representations will be presented. Drawings and media renderings will commence immediately pending the Board's approval.

SVMS staff meet with the consulting and District core teams prior to the Board's meeting on August 25. Design Committee Members and Alternative Housing Committee Members are invited to attend the Board Meeting to receive the update and provide public comment.

Plans for the next community forum are underway. An update will be provided and input will be collected.

FISCAL IMPACT: Project funded by Measure A Facility Bond Program

Prepared By: Penny Weaver, Superintendent

Item Proposed for: Action
